NATIONAL MOVEMENT

# CLNM's Chosen Best Practice from the House Project Community

## Stoke-on-Trent House Project

The staff have supported a young person to achieve their dream of going to University - the young person starts September 2021.

## Wolverhampton House Project

Young people in Wolverhampton House Project are using a training flat to gain knowledge and experience of living independently.

## Warwickshire House Project

Young people from Warwickshire House Project talk about the consistent emotional support that's regularly on hand from the staff there.
