CLNM's Chosen Best Practice from the House Project Community

Care Leavers National Movement

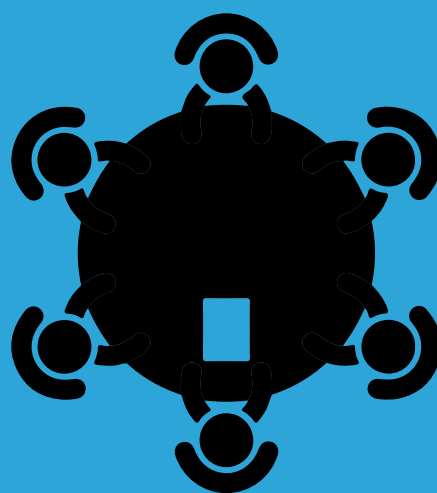

A year's worth of hard work, interviews, planning and analysis rolled into one document.

Our Community: A peer evaluation of our Local House Project.

Conference

On Friday 22nd October we held our first conference. It went off without a hitch - a third of our attendance were young people.

Fife House Project and Coventry House Project

Both Fife House Project and Coventry House Project have recently come back from a residential where they bonded as a team and strengthened their community.
