

CARE LEAVERS NATIONAL MOVEMENT

Planning for your future

Start by asking yourself....

Where do I want to be
in 5 years?
What about 10 years or
20 years?

Don't go overboard

Even the best plans won't
turn out the way you want.
Plan what's realistic and
what you can make
happen.

Struggling?

Ask the people around you
for advice or guidance. Find
out what support you can get
in your community.
